

LGA Güteüberwachung

Certificate No. 251769

This is to confirm, on the basis of the Berlin Building Code (BauO Bln) in the version published on 29 September 2005, that the building products

Modular units made of panel elements clad or planked on both sides, e.g., residential containers - steel elements

placed on the market by

KOMA MODULAR s.r.o.
Říčanská 1191
CZ-763 12 Vizovice
CZECH REPUBLIC

and manufactured in the factory

KOMA MODULAR s.r.o.
Říčanská 1191
CZ-763 12 Vizovice
CZECH REPUBLIC

according to the results of the factory's own production control and the monitoring body recognized by the building authority (identification number BAY02)

LGA Bautechnik GmbH
Tillystraße 2
90431 Nürnberg

The external monitoring of the steel elements, carried out in accordance with DIN 1052-11, complies with the provisions of

DIN 18200:2021-04.

For prefabricated steel components,
the following also applies:
EN 1090-1:2009 + A1:2011.

This certificate authorizes the use of the
LGA Güteüberwachung – mark

This certificate is valid as long as
external monitoring is carried out regularly,
but no later than 2030-09-23.

Nürnberg, 2025-09-23
